**End Application:**

Relief valve

**Load Rating:**

Between 4988.00 pounds and 5736.00 pounds

**Coil Helix Direction:**

Left-hand

**Special Features:**

Manufacturer listed this p/n as d3401ss not simply d3401

**Functional Description:**

Opens and closes the valve on relief valve assembly, p/n 27cc33hm-z20/s4

**Material:**

Stainless steel

**Style Designator:**

Cylindrical

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02900
