Spring Free Length:

1.6700 inches

Coil Quantity:

14-1/2

Product Name:

Forced feed spring

Material:

Steel

Material Specification:

Mil-w-6101 military specification single material response

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416, ty1, cla federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900

Mil-std (military Standard):

Mil-w-6101 spec.
