End Style:

E3 spring end, plain

End Application:

Overhaul/availability Isd48

Product Name:

Spring

Special Features:

Next higher assembly 4820-01-545-3085, valve, safety relief; pressure range 135-154 psi

Material:

Stainless steel

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
