End Application:

819697 (53711) , maintenance and vhte installation

Spring Free Length:

1.125 inches

Spring Solid Length:

0.265 inches

Spring Solid Outside Diameter:

0.360 inches

Product Name:

Compression spring

Material:

Stainless steel

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
