**End Application:**

Filter regulator b38-440-aila for compressed air

**Product Name:**

Regulating spring

**Functional Description:**

Spring, regulating, 4 to 100 psig

**Material:**

Stainless steel

**Style Designator:**

Cylindrical

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02900
