Stock Diameter:

Between 0.109 inches and 0.119 inches

End Application:

Dehydrator assembly 2 in w7461-625

Coil Helix Direction:

Right-hand

Material:

Stainless steel

Material Specification:

Astm 313 assn standard single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
