End Application:

Valve, check, wafer 2 in

Coil Quantity:

22

Coil Helix Direction:

Right-hand

Material:

Nickel alloy x-750

Material Specification:

Astm b 637 assn standard single material response

Style Designator:

Single torsion, right hand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
