End Style:

E4 spring end, squared and ground both ends

Stock Diameter:

0.045 inches

End Application:

Bell uh-1d helicopter

Coil Quantity:

2-1/2

Coil Helix Direction:

Left-hand or right-hand

Product Name:

Pa-3500 spring, panel line, 3519-z3ct

Special Features:

Material is music wire

Material:

Stainless steel

Material Specification:

Astm-a-228 assn standard single material response

Surface Treatment:

Zinc

Surface Treatment Specification:

Astm-b-633 assn standard single treatment response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
