End Application:

Bell 209 and 212 helicopters

Coil Quantity:

5

Product Name:

Compression spring

Material:

Stainless steel

Material Specification:

Ams 5673 stainless steel 17-7ph national std/spec single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
