**End Application:**

Bell 209 and 212 helicopters

**Coil Quantity:**

5

**Product Name:**

Compression spring

**Material:**

Stainless steel

**Material Specification:**

Ams 5673 stainless steel 17-7ph national std/spec single material response

**Style Designator:**

Cylindrical

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02900
