End Style:

E2 spring end, squared

End Application:

German air force mk88a helicopter

Spring Free Length:

0.880 inches

Spring Solid Length:

0.456 inches

Product Name:

Spring, helical compression

Material:

Steel

Surface Treatment:

Cadmium

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
