End Style:

E1 spring end, ground both ends

Stock Thickness:

0.079 inches

End Application:

2355-01-539-3589; light armored vehicle

Spring Free Length:

7.677 inches

Spring Solid Length:

1.142 inches

Spring Free Outside Diameter:

1.063 inches

Product Name:

Spring coil compression

Special Features:

Load length: 1.724 lbs; load: 28.660 lbs; spring rate: 4.70 lbs

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
