**End Style:**

Spring end, plain both ends

**End Application:**

4440-01-619-4418

**Coil Helix Direction:**

Left-hand or right-hand

**Support Load Rating:**

300 psig max

**Product Name:**

Spring

**Special Features:**

Item sized to fit within a 4 inch cylinder

**Material:**

Steel comp 302

**Material Specification:**

Astm 313 assn standard single material response

**Style Designator:**

Cylindrical

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A02900
