End Style:

Spring end, plain both ends

End Application:

4440-01-619-4418

Coil Helix Direction:

Left-hand or right-hand

Support Load Rating:

300 psig max

Product Name:

Spring

Special Features:

Item sized to fit within a 4 inch cylinder

Material:

Steel comp 302

Material Specification:

Astm 313 assn standard single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
