Hole Diameter:

0.116 inches

Overall Length:

1.800 inches

Overall Width:

0.500 inches

Center To Center Distance Between Bolt Holes Along Length:

0.406 inches

Bolt Hole Quantity:

4

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t3 federal specification single material response

Surface Treatment:

Chromate

Style Designator:

Non-circular w/square corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
