Overall Length:

49.730 inches

End Application:

Stop, wing spar; 1560-00-162-6881/6882

Lamination Quantity:

7

Lamination Thickness:

0.003 inches

Features Provided:

Nonseparable

Construction:

Laminated

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
