Inside Diameter:

Between 1.250 inches and 1.252 inches

Overall Length:

Between 0.953 inches and 0.963 inches

Large End Outside Diameter:

1.800 inches

Tapered Portion Length:

1.687 inches

Taper Included Angle:

7 degrees

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6, alloy 2024 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535g0
