Inside Diameter:

Between 1.615 inches and 1.625 inches

Outside Diameter:

Between 1.930 inches and 1.940 inches

Overall Thickness:

Between 0.013 inches and 0.017 inches

Special Features:

One keyway on id

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
