Inside Diameter:

Between 5.010 inches and 5.020 inches

Outside Diameter:

Between 5.873 inches and 5.875 inches

Overall Thickness:

0.063 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-167 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
