Hole Diameter:

0.530 inches

Overall Length:

1.620 inches

Overall Width:

1.470 inches

Bolt Hole Quantity:

1

Special Features:

Hole off-center

Material:

Magnesium alloy

Material Specification:

Qq-m-44 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
