Overall Length:

0.610 inches

Overall Width:

0.420 inches

Aperture Diameter:

0.159 inches

Construction:

One-piece

Material:

Steel comp 302

Material Specification:

Qq-s-766, cond a federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
