Inside Diameter:

Between 0.523 inches and 0.533 inches

Outside Diameter:

0.681 inches

Overall Thickness:

0.063 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200, t351 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
