Inside Diameter:

Between 0.562 inches and 0.567 inches

Outside Diameter:

0.688 inches

Overall Thickness:

0.032 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
