Inside Diameter:

Between 1.812 inches and 1.832 inches

Outside Diameter:

Between 2.302 inches and 2.322 inches

Overall Thickness:

Between 0.060 inches and 0.068 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
