Hole Diameter:

0.250 inches

Overall Length:

8.000 inches

Overall Width:

1.200 inches

Bolt Hole Quantity:

4

Features Provided:

Separable

Construction:

Laminated

Material:

Aluminum

Material Specification:

Ams 4013 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
