Overall Length:

0.500 inches

Overall Width:

0.500 inches

Aperture Diameter:

0.201 inches

Special Features:

Concave top 0.060 in. Deep

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000

Mil-std (military Standard):

Mil-a-8625 spec.
