Overall Length:

3.031 inches

Overall Width:

2.250 inches

Special Features:

Uniquely shaped; 2 large bolt holes 0.5625 in. Dia, 2 small bolt holes

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
