Hole Diameter:

0.0635 inches

Overall Length:

0.375 inches

Overall Width:

0.125 inches

Bolt Hole Quantity:

2

Special Features:

Bolt holes along length

Material:

Steel comp 416

Material Specification:

Astm a582 assn standard single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
