Hole Diameter:

0.350 inches

Overall Length:

4.220 inches

Overall Width:

4.220 inches

Aperture Diameter:

3.500 inches

Outside Corner Radius:

0.350 inches

Center To Center Distance Between Bolt Holes Along Width:

3.540 inches

Center To Center Distance Between Bolt Holes Along Length:

3.540 inches

Bolt Hole Quantity:

4

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Style Designator:

Non-circular w/bolt holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
