Hole Diameter:

0.356 inches

Overall Length:

7.010 inches

Overall Width:

0.516 inches

Center To Center Distance Between Bolt Holes Along Length:

1.250 inches

Bolt Hole Quantity:

6

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t3 federal specification single material response

Style Designator:

Non-circular w/square corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
