Hole Diameter:

0.147 inches

Bolt Hole Quantity:

1

Special Features:

Triangular shape, 0.848 in. Lg ea side, 0.160 in. Rounded corner

Material:

Steel comp 410

Material Specification:

Qq-s-766, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
