Hole Diameter:

0.147 inches

Bolt Hole Quantity:

1

Construction:

One-piece

Special Features:

Item has arrow shape head with sides of triangle portion 0.875 in. O/a lg

Material:

Steel comp 410

Material Specification:

Aisi, conda assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
