Inside Diameter:

Between 1.505 inches and 1.510 inches

Outside Diameter:

Between 2.594 inches and 2.656 inches

Overall Thickness:

0.042 inches

Special Features:

Id has flats width between flats is 1.380 in. Min 1.385 in. Max

Material:

Steel

Material Specification:

Qq-s-698 cond 3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
