Overall Length:

3.000 inches

Overall Width:

1.250 inches

Special Features:

Two holes 0.437 in. Dia, and one hole 0.750 in. Dia

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
