Overall Length:

1.450 inches

Overall Width:

1.050 inches

Construction:

One-piece

Hardness Rating:

35.0 rockwell c

Special Features:

Total of three slots, one slot 0.140 in. W 0.630 in. Deep, one slot 0.180 in. W 0.720 in. Deep, one slot 0.140 in. W 0.950 in. Deep

Material:

Steel comp 301 or steel comp 302

Material Specification:

Asisi assn standard all material responses

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
