Cross-sectional Height:

0.072 inches

Minor Height:

0.010 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t4 federal specification single material response

Surface Treatment:

Primer zinc

Specification Data:

98897-Is2107 manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
