**Cross-sectional Height:**

0.072 inches

**Minor Height:**

0.010 inches

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/4, t4 federal specification single material response

**Surface Treatment:**

Primer zinc

**Specification Data:**

98897-Is2107 manufacturers standard

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A07000
