Overall Length:

3.000 inches

Overall Width:

2.000 inches

Overall Thickness:

0.100 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-287, t6, class d federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
