Overall Length:

7.219 inches

Overall Width:

4.125 inches

Bolt Hole Quantity:

6

Construction:

One-piece

Material:

Steel comp 1009

Material Specification:

Qq-s-698 federal specification single material response

Surface Treatment:

Cadmium

Fsc Application Data:

Valve, control, hoist, hydraulic, vehicular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
