Hole Diameter:

Between 0.216 inches and 0.226 inches

Overall Length:

Between 1.694 inches and 1.734 inches

Center To Center Distance Between Bolt Holes Along Length:

1.274 inches

Bolt Hole Quantity:

2

Material:

Titanium alloy

Material Specification:

Ams 4911 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
