Inside Diameter:

Between 0.503 inches and 0.505 inches

Outside Diameter:

0.650 inches

Overall Thickness:

Between 0.019 inches and 0.021 inches

Surface Finish:

125.0 microinches

Material:

Steel comp 302

Material Specification:

Qq-s-766, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
