Inside Diameter:

Between 2.502 inches and 2.512 inches

Outside Diameter:

Between 2.740 inches and 2.745 inches

Overall Thickness:

Between 0.028 inches and 0.036 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
