Hole Diameter:

0.120 inches

Overall Length:

10.875 inches

Overall Width:

0.250 inches

Bolt Hole Quantity:

5

Construction:

One-piece

Material:

Stainless steel

Material Specification:

Qq-s-766 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
