Hole Diameter:

0.531 inches

Overall Length:

7.500 inches

Overall Width:

2.625 inches

Center To Center Distance Between Bolt Holes Along Length:

2.312 inches

Bolt Hole Quantity:

6

Material:

Steel comp 1010 or steel comp 1015 or steel comp 1018 or steel comp 1019 or steel comp 1020

Material Specification:

Aisi assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
