Hole Diameter:

0.094 inches

Overall Length:

0.594 inches

Overall Width:

0.188 inches

Bolt Hole Quantity:

1

Features Provided:

Casehardened

Special Features:

One 0.187 in. Diameter slot on one side

Material:

Steel comp 1009 or steel comp 1015 or steel comp 1018 or steel comp 1020 or steel comp 1008

Material Specification:

Qq-s-698, cond 2 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
