Inside Diameter:

Between 0.882 inches and 0.885 inches

Overall Length:

Between 0.745 inches and 0.755 inches

Large End Outside Diameter:

Between 1.412 inches and 1.418 inches

Split Width:

0.090 inches

Tapered Portion Length:

0.755 inches

Taper Included Angle:

32 degrees, minus 15 minutes, plus 45 minutes

Material:

Steel comp 1015 or steel comp 1025

Material Specification:

Qq-s-631, comp 1015, 1025-canceled federal specification 1st material response or qq-s-634, comp 1015, 1025-canceled federal specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A535g0
