Overall Length:

1.220 inches

Overall Width:

0.710 inches

Construction:

One-piece

Special Features:

Corner chamfer angle 47 degrees, 0.520 in. W, 0.570 in. Lg cutout on longest edge

Material:

Steel comp 302

Material Specification:

Aisi assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
