Hole Diameter:

0.312 inches

Overall Length:

8.250 inches

Overall Width:

2.500 inches

Aperture Diameter:

1.312 inches

Center To Center Distance Between Bolt Holes Along Width:

1.250 inches

Center To Center Distance Between Bolt Holes Along Length:

7.250 inches

Bolt Hole Quantity:

4

Construction:

Laminated

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
