Overall Length:

0.620 inches

Overall Width:

0.250 inches

Material:

Plastic cellulose nitrate and glass and plastic alkyd

Material Specification:

Mil-p-18177, type gee military specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000

Mil-std (military Standard):

Mil-p-18177 spec.
