**End Application:**

Cd2-4a

**Criticality Code Justification:**

Feat

**Special Features:**

Design analysis

**Nuclear Hardness Critical Feature:**

Hardened

**General Description:**

Assembly consists of plug (p/n 8537-505101) and insulation, the plug's head dia. Is 1.875 in, no other plug specifications are available. The insulation is made from cork, hb0135-002 and has the following specs: 1.875 in. O.D. And 0.080 in. Thk.. The cork is bonded to the plug per nr specification ha0606-003

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
